

SUPERLITE

Model 730C - Chain Link Handcuff

Introducing the new Model 730C - Superlite chain link handcuff. Weighing in at just 5.2 ounces the Model 730 is near half the weight of a typical standard chain link handcuff. The Superlite is designed to meet the demands of law enforcement professionals while making the job a little easier.

The Model 730's major components utilize aerospace grade aluminum, carbon steel and stainless steel. It also features steel swivels, steel chain links and spun rivet construction. The smooth single-strand action has 21 locking positions with a push pin double lock. Available in either gray or black ceramic finish.

The Model 730C Superlite is National Institute of Justice Standard 0307.01 certified.

The Model 730C comes with a lifetime warranty for manufacturer defect.

All Peerless® products are backed by our lifetime guarantee for manufacture defects, assuring you of the highest quality material and workmanship. When you want restraint devices that you can depend on, you want Peerless®.

- Double Locking
- Two Keys Supplied
- Made in USA
